 CLINIC NEWS

Welcome to 2023! The team at West Valley Hearing Center wish you a very Happy New Year! We are excited to share a lot of news about new technology and services to better help YOU!

Numerous studies, including some from Johns Hopkins, found that hearing loss is the number one most modifiable risk factor for **dementia!**

DID YOU KNOW ?

We are one of the **ONLY** audiology offices that offers cognitive screenings! We are currently offering cognitive screenings to our patients for **FREE** (reg. \$55) until Feb 28th. *Call for an appointment!*

UPGRADE OFFER!!

Do you want to upgrade your hearing aids and want to trade in your current hearing aids? You're in luck! We have a limited time offer to accept your trade in hearing aids for between \$150-350 per hearing aid! *Call us for an appointment!*
